The description of this program is only a summary of available coverages. Actual policy language will dictate the scope of coverage in the event of a claim. We encourage policyholders and their agents to read the full policy form and any applicable endorsements for full terms and conditions. Effective September 1, 2020, Ryan Specialty Group created RSG National Specialty Programs, which took over operations that were formerly the All Risks National Specialty Programs. Thirty-year industry veteran, Chris McGovern continues to manage 25+ distinct RSG National Specialty Programs. RSG National Specialty Programs and Alive Risk are each units of the RSG Underwriting Managers division of RSG Specialty, LLC, a Delaware limited liability company based in Illinois. RSG Specialty, LLC, is a subsidiary of Ryan Specialty Group, LLC (RSG). RSG National Specialty Programs and Alive Risk work directly with brokers, agents and insurance carriers, and as such does not solicit insurance from the public. Some products may only be available in certain states, and some products may only be available from surplus lines insurers. In California: RSG Specialty Insurance Services, LLC (License # OG97516). ©2021 Ryan Specialty Group, LLC
